

*The IAU- the International Astronomical Union is the global body for professional astrophysics and space science

Sponsor and Exhibitor Pack

Asia-Pacific Regional IAU* Meeting 2026 (APRIM-2026)

Join the world's leading astrophysicists, space and planetary researchers, technologists and space enthusiasts for 4.5 days of groundbreaking discoveries, innovative research presentations, and networking opportunities that will shape the future of space science and astrophysics across the Asia Pacific and beyond.

APRIM Conference Overview

The "APRIM2026" International Astrophysics and Space Science Conference will bring together over 700 scientists, researchers, and industry professionals from 30+ countries across the Asia-Pacific and beyond. The 9 major conference themes focus on cutting edge astrophysics and space science, upcoming astronomical facilities, space sustainability and astronomy public outreach and education.

- **Plenary talks by 2 Nobel and 2 Shaw Prize Laureates and the Gruber 2025 Cosmology prize winner**
- **150+ research and technology presentations**
- **Keynote speakers from leading universities**
- **State-of-the-art exhibition space at Hong Kong's premier venue the HKCEC**

Experience cutting-edge research presentations, discussion sessions, special events, exhibition booths and exclusive networking sessions with Nobel and Shaw prize laureates and pioneering space scientists.

Venue & Location

Nestled in the heart of the vibrant city of Hong Kong, the HKCEC offers state-of-the-art facilities and stunning harbour views, providing an inspiring backdrop for APRIM2026.

Hong Kong is a dynamic global hub, easily accessible from around the world, blending rich culture with modern infrastructure, ideal for international delegates and memorable experiences.

Why Sponsor APRIM-2026?

- **Excellent Exposure and positive publicity for your firm, enterprise, foundation or organization**
- **Recognition of your philanthropy and status as a good corporate citizen for a globally significant event that will attract major press attention**

- **Opportunities to Showcase your work**
- **Ability to promote and advertise your vision, services and products to a broad international audience of scientists, technologists, influencers and the general public who will also have access during certain periods**

Sponsor Networking & Collaboration opportunities

Sponsors get access to a series of special events depending on sponsorship level with chances to connect with leading local figures, space scientists, astrophysicists, researchers and technologists from across the Asia Pacific region and beyond

- **Opportunity to present at a special, exclusive sponsors session and to engage in dynamic discussions with peers, other sponsors, invited guests and more**
- **Contribute to the vibrant exchange of ideas in space, astrophysics and related technologies**

Sponsorship Tiers & Benefits

Diamond Sponsor (HK\$ 388,800)

- Special dinner with Nobel and Shaw prize Laureates and other exclusive events
- Distribute 10 dinner tickets for a table hosted by a Nobel/Shaw prize Laureate
- 4 × Complimentary regular registration
- 3 × Exhibitors' registrations

Gold Sponsor (HK\$ 200,000)

- 2 × dinner tickets at a table hosted by a Nobel/Shaw prize Laureate
- 2 × Complimentary regular registration
- 2 × Exhibitors' registrations

Silver Sponsor (HK\$ 100,000)

- 1 × Dinner tickets at a table hosted by a Nobel/Shaw prize Laureate
- 1 × Complimentary regular registration
- 1 × Exhibitors' registrations

Bronze Sponsor (HK\$ 50,000)

- 1 × Complimentary regular registration
- 1 × Exhibitors' registrations

- All sponsors can make a presentation at a special sponsors forum
- Sponsors can also choose to sponsor a lunch (with presentation)
- Sponsor "videos" can be on a continuous loop on venue screens

Why Attend APRIM2026 as an Exhibitor?

Exposure to Cutting-Edge Research and ideas

Explore the latest advancements in planetary science, stellar evolution, galactic dynamics, and cosmology through keynote presentations, workshops, and poster sessions.

Networking & Collaboration opportunities

Connect with leading space scientists, astrophysicists, researchers and technologists from across the Asia Pacific region and beyond to foster interdisciplinary collaborations and share ideas.

Showcase Your Companies or foundations Work

Advertise your vision, company products and R&D to a broad international audience of scientists, technologists, and influencers; engage in dynamic discussions with peers, contributing to the vibrant exchange of ideas in space, astrophysics and related technologies.

Professional Growth

Nurture your talents, gain new perspectives, and establish invaluable connections that will shape your future in related space research and exploration.

Exhibitor Package

Investment: HK\$ 30,000 (commercial – discounts may apply for academic or educational exhibits)

Maximise your visibility and connect with key decision-makers at APRIM-2026.

- Full access to all conference sessions and events
- Invitation to the exclusive Welcome Reception
- Access to all catered coffee breaks and networking lunches
- One dedicated 3m x 3m exhibition booth
- One complimentary standard conference registration
- Logo exposure on the APRIM 2026 official website and e-program book

Showcase your organisation and engage directly with hundreds of leading professionals, researchers and the general public.

Exhibitor Benefits

3m x 3m Booth or Space: Secure a prime location in the exhibition hall to showcase your innovations, products or services and engage directly with attendees and the public.

Logo Exposure on E-Program Book: Your company logo prominently featured in the digital program book, distributed to all conference participants and more broadly.

Logo Exposure on APRIM 2026 Official Website: Have continuous visibility with your logo displayed on the highly-trafficked official conference website.

Advertisement on Social Media: Reach a wider audience with dedicated advertisements distributed across APRIM 2026's official X, Facebook, LinkedIn and social media channels.

Logo/Advertisement on Front Screen: Maximise your brand's impact with logo exposure or a full advertisement shown on the main screen before and after sessions.

Logo Exposure on Sponsor & Exhibitor Wall: Ensure high visibility with your logo featured on the dedicated Sponsor & Exhibitor Wall within the exhibition hall.
